Unless otherwise stated in the class description, competitors are to supply three copies of their recipes and one dish description card for each dish. One copy is to be emailed as a word document; a week before the competition starts – send to competitions@nzchefs.org.nz (The name on the file should be your full name). One copy is to be given to the judges at the **start** of the class, and the remaining recipe and dish description presented with your dish.

Failure to supply these will deem the competitor disqualified from the class.

- ✚ The recipe should include the weight of ingredients and method of cooking (short version).
- ✚ A Description card is how the dish would be described on a menu.
- ✚ Recipes, description cards and photos of dishes become the property of NZChefs Association for the use to promote and develop the National Championships and regional competitions.
