Dear National Society Member Presidents,

Warm Greetings to all of you, your members and families,

On behalf of the Board of Directors, I would like to once again thank you for participating in the 1st Online Worldchefs General Meeting on August 15, 2020. Please see attached Worldchefs General Meeting 2020 Minutes. This historical Online Meeting was certainly a milestone for Worldchefs and will be remembered for many years to come.

We are now looking forward to the many plans and goals we have for the next 4 years. To start the process, it is time to appoint/re-appoint the Worldchefs Committees for the term 2020-2024. If you have any recommendations from your membership, please submit the names, contact information (email and phone) and supporting rationale for your recommendation to me by September 15, 2020.

Please keep in mind that with 100+ National Society Members, it will not be possible to have a representative from each country on each Committee. We will do our best to ensure equal representation of Continents across all Committees, where possible.

Once the Committee shortlists have been determined, we will be contacting the potential Committee Members and Chairs to review their potential role and responsibilities before any appointments /re-appointments are made. We will also be confirming the new appointments with the National Society Member Presidents if the nomination was not provided directly.

We would like to take this opportunity to encourage you and your members to support Worldchefs International Chefs Day on October 20, 2020 and participate in our annual global event. For this year's details, please visit: <https://www.internationalchefsday.worldchefs.org>

We also hope you can join us June 13 – 17, 2021 for World Chefs Without Borders CSR Siem Reap, Cambodia. Though this CSR event has been postponed twice due to COVID-19, we will continue to make every effort possible towards fulfilling our mission and commitment to these dates, keeping in forefront the health and safety of our members and their families.
