# HOW IT WORKS

## So what's the deal?

The Vogelmorn Hatch is a commercial kitchen based in the former Vogelmorn Bowling Club.

This is a flexible short-medium term opportunity for a food operator to function out of the Hatch.

## Has it worked in the past?

Heard of Damascus before? The delicious Syrian restaurant that functioned out of the Vogelmorn Hatch three nights a week and are now moving into their own space in town! Swipe to read more.

## Who are we?

We are the Vogelmorn Community Group Trust – a group of locals who run awesome events, a cafe and other happenings across the buildings that make up the Vogelmorn Precinct.

## Sound like a bit of you?

# DAMASCUS' STORY

"Our journey with Vogelmorn began in 2017 when we started using the commercial kitchen to prep for events and markets. In 2019, we started experimenting with a cafe food offering in the Hatch. Then COVID hit and we shifted to a takeaway menu which was an unexpected success, with the community coming together to support us. When Covid Levels dropped, we trialled an evening offering and it worked! Through word of mouth & support from members of the Vogelmorn Community, we ended up featuring in the Dominion Post and then were approached by RNZ and other media channels – the word was getting out!

It was a journey of trial and error, with unexpected twists and turns, but ultimately it's been successful. We started having less than 50 patrons a day and now have 100 every night. Our Wellington On a Plate events quickly sell out and we have been nominated as People's Choice last year, and as finalists for the Felix Hospitality Awards. The final step is that we've now found our own place to keep operating and to grow.

We are thankful that Vogelmorn gave us the opportunity to grow our business and supported us right up until we found a more permanent place."

# INTERESTED?

Send an email to our Venue Manager, Nicoletta, explaining a bit about yourself and your vision for the Hatch and we'll go from there.

We look forward to hearing from you!
